Re: *Cisco Sys., Inc. and Acacia Comm'ns, Inc. v. Ramot at Tel Aviv Univ. Ltd.*,
C.A. Nos. 21-1365; 22-674 (GBW)

Dear Judge Williams:

Pursuant to Paragraph 10 of the Revised Scheduling Order (D.I. 103), the parties jointly submit this letter regarding the *Markman* hearing scheduled for August 27, 2024 at 1:00 p.m.

Live Testimony: The parties will not present live testimony at the hearing.

Amount of Time Allocated During Hearing: The parties request 3 hours for the hearing, split evenly between the parties (1.5 hours each).

The order in which terms are to be presented: The parties have organized and briefed the 7 disputed terms under two “issues.” *See* D.I. 99, Ex. A (Joint Claim Construction Chart).¹ Issue 1 concerns whether certain claims of the asserted '998 Patent are indefinite. Issue 2 concerns whether to apply an alleged prosecution history disclaimer to various independent claims of the asserted '998 and '872 Patents. The parties intend to divide the argument between these two issues, and to present the issues in the order briefed and listed above. Ramot briefed these issues first, and will also present first on each issue.

Counsel is available should the Court have any questions.

¹ Unless otherwise noted, all docket citations are to C.A. No. 21-1365.

The Honorable Gregory B. Williams
